MOFRA

Wellness from Nature

ABOUT

Rooted in the goodness of nature and traditional ingredients, the brand brings together handmade herbal soaps and nutritious health-mix powders for everyday care and nourishment.

With a focus on purity, health, tradition, and wellness, the products are created for health-conscious families seeking simple, nature-inspired choices for their daily routines. The identity reflects this philosophy through a clean, warm, authentic, and trustworthy visual language that connects traditional goodness with modern everyday living.
